## **MARK SCHEME for the May/June 2015 series**

### **0500 FIRST LANGUAGE ENGLISH**

**0500/22**

Paper 2 (Reading Passages (Extended)),  
maximum raw mark 50

This mark scheme is published as an aid to teachers and candidates, to indicate the requirements of the examination. It shows the basis on which Examiners were instructed to award marks. It does not indicate the details of the discussions that took place at an Examiners' meeting before marking began, which would have considered the acceptability of alternative answers.

Mark schemes should be read in conjunction with the question paper and the Principal Examiner Report for Teachers.

Cambridge will not enter into discussions about these mark schemes.

Cambridge is publishing the mark schemes for the May/June 2015 series for most Cambridge IGCSE<sup>®</sup>, Cambridge International A and AS Level components and some Cambridge O Level components.

**R2** demonstrate understanding of implicit meanings and attitudes

**R3** analyse, evaluate and develop facts, ideas and opinions

and writing assessment objectives W1 to W4 (5 marks)

In your letter you should comment on:

- your expectations of the trip
- your feelings about Zelda's behaviour on the first two days of the holiday
- what happened during the rest of the trip.

Base your letter on what you have read in Passage A, but be careful to use your own words.

Address each of the three bullet points.

Begin letter: 'Dear Brian, We've just come back from a trip I arranged for Zelda as a surprise...'

Write about 250 to 350 words.

**Up to 15 marks are available for the content of your answer, and up to 5 marks for the quality of your writing.**

[20]

### General notes:

Candidates should select **ideas** from the passage (see below) and **develop** them relevantly, supporting what they write with **details** from the passage and judging the appropriate register for the genre which is a letter to a relative. Look for a clear and balanced response which covers the three areas of the question, is well sequenced, and is in the candidate's own words.

**Annotate A1** for references to Bob's expectations of the trip

**Annotate A2** for references to Bob's feelings about Zelda's behaviour

**Annotate A3** for references to what happened in the rest of the trip.

### Marking Criteria for Question 1

#### A: CONTENT (EXTENDED TIER)

Use the following table to give a mark out of 15.

<b>Band 1:</b> 13–15	The response reveals a <b>thorough</b> reading of the passage. Developed ideas are sustained and well related to the passage. A wide range of ideas is applied. There is supporting detail throughout, which is well integrated into the response, contributing to a strong sense of purpose and approach. All three bullets are well covered. A consistent and convincing voice is used.
<b>Band 2:</b> 10–12	The response demonstrates a <b>competent</b> reading of the passage. A good range of ideas is evident. Some ideas are developed, but the ability to sustain them may not be consistent. There is frequent, helpful supporting detail, contributing to a clear sense of purpose. All three bullets are covered. An appropriate voice is used.
<b>Band 3:</b> 7–9	The passage has been read <b>reasonably</b> well. A range of straightforward ideas is offered. Opportunities for development are rarely taken. Supporting detail is present but there may be some mechanical use of the passage. There is uneven focus on the bullets. The voice is plain.
<b>Band 4:</b> 4–6	There is some evidence of <b>general understanding</b> of the main ideas, although the response may be thin or in places lack focus on the passage or the question. Some brief, straightforward reference to the passage is made. There may be some reliance on lifting from the text. One of the bullets may not be addressed. The voice might be inappropriate.
<b>Band 5:</b> 1–3	The response is either <b>very general</b> , with little reference to the passage, or a reproduction of sections of the original. Content is either insubstantial or unselective. There is little realisation of the need to modify material from the passage.
<b>Band 6: 0</b>	There is little or no relevance to the question or to the passage.

	Cambridge IGCSE – May/June 2015	0500	22

**B: QUALITY OF WRITING: STRUCTURE AND ORDER, STYLE OF LANGUAGE (EXTENDED TIER)**

Use the following table to give a mark out of 5.

Band 1	5	The language of the response sounds convincing and consistently appropriate. Ideas are firmly expressed in a wide range of effective and/or interesting language. Structure and sequence are sound throughout.
Band 2	4	Language is mostly fluent and there is clarity of expression. There is a sufficient range of vocabulary to express ideas with subtlety and precision. The response is mainly well structured and well sequenced.
Band 3	3	Language is clear but comparatively plain and/or factual, expressing little opinion. Ideas are rarely extended, but explanations are adequate. Some sections are quite well sequenced but there may be flaws in structure.
Band 4	2	There may be some awkwardness of expression and some inconsistency of style. Language is too limited to express shades of meaning. There is structural weakness and there may be some copying from the passage.
Band 5	1	Expression and structure lacks clarity. Language is weak and undeveloped. There is very little attempt to explain ideas. There may be frequent copying from the original.
Band 6	0	The response cannot be understood.

## Question 2

This question tests Reading Objective R4 (10 marks):

**R4** demonstrate understanding of how writers achieve effects

Re-read the descriptions of:

- (a) the storm and its effects in paragraph 6, beginning ‘No sooner were we inside...’;
- (b) what Zelda enjoyed about the morning in paragraph 7, beginning ‘Having only managed...’.

Select **four** powerful words or phrases from **each** paragraph. Your choices should include imagery. Explain how each word or phrase selected is used effectively in the context.

Write about 200 to 300 words.

**Up to 10 marks are available for the content of your answer.**

[10]

## General notes

This question is marked for the ability to select powerful or unusual words and for an understanding of ways in which the language is effective. Expect responses to provide words that carry connotations additional to general meaning.

Mark holistically for the overall quality of the response, not for the number of words chosen, bearing in mind that there should be a range of choices to demonstrate an understanding of how language works for the higher bands, and that this should include the ability to explain images. It is the quality of the analysis that attracts marks. Do not take marks off for inaccurate statements; simply ignore them.

The following notes are a guide to what good responses *might* say about the selections. They can make any *sensible* comment, but only credit those that are relevant to the correct meanings of the words in the context and that have some validity. Alternative acceptable explanations should be credited. Credit comments on effects created by non-vocabulary choices such as grammar/syntax and punctuation devices. They must be additional to comments on vocabulary.

**(a) The storm and its effects**

*The general effect is of a ferocious storm, feeling of being under attack*

**hammering (image):** the rain has the force of a metal implement which can alter the surface of what it hits, potential for damage

**like machine gun fire (image):** destructive, continuous, loud, rapid sound of a weapon, dangerous / would hurt a person who went outside

**shrieking (image):** personification – shrill, piercing noise as though the wind is in pain or angry, sense of fear

**bent double:** extreme angle into which the branches have been forced, like a very old person, suggests power of storm

**snatched (image):** the leaves have been taken by force, personifying the wind as a callous thief **tossed** into the air: thrown up, careless action as if wilfully discarded

as if by a **manic juggler (image):** the leaves are whirling around crazily in all directions, extremely fast, up into the air and then down again

**an angry agitation (image):** violent disturbance, the surface of the water is stirred up by the force of the rain

**(b) What Zelda enjoys about the morning**

*The general effect is of an awe-inspiring scene*

sun seemed to be **smiling (image):** the sun is warm and benevolent

**wearing their spring foliage like new coats (image):** the oaks covered with fresh green leaves, like clothing worn ostentatiously/proudly

**feathery clouds:** light, wispy, delicate

**dabbed (image):** here and there, as though an artist has lightly marked the sky with the clouds air of grey, **religious solemnity (image):** austere, sober, serious, an aura of formality, the grey plumage is like the clothing worn by someone clerical/devout/spiritual

**like tiny translucent pearls (image):** the water droplets are small, round, shiny with light passing through them, beautiful and precious

**speared (image)** sudden attack suggesting precision/violence

Only credit comments on stylistic effect where explicitly linked to choices.

### Marking Criteria for Question 2

Use the following table to give a mark out of 10 for Reading.

<b>Band 1: 9–10</b>	Wide ranging discussion of language with some high quality comments that add meaning and associations to words in both parts of the question, and demonstrate the writer’s reasons for using them. Tackles imagery with some precision and imagination. There is clear evidence that the candidate understands how language works.
<b>Band 2: 7–8</b>	Explanations are given of appropriately selected words and phrases, and effects are identified in both parts of the question. Images are recognised as such and the response goes some way to explaining them. There is some evidence that the candidate understands how language works.
<b>Band 3: 5–6</b>	A satisfactory attempt is made to identify appropriate words and phrases. The response mostly gives meanings of words and any attempt to suggest and explain effects is basic or very general. One half of the question may be better answered than the other.
<b>Band 4: 3–4</b>	The response provides a mixture of appropriate choices and words that communicate less well. The response may correctly identify linguistic devices but not explain why they are used. Explanations may be few, general, slight or only partially effective. They may repeat the language of the original or do not refer to specific words.
<b>Band 5: 1–2</b>	The choice of words is sparse or rarely relevant. Any comments are inappropriate and the response is very thin.
<b>Band 6: 0</b>	The response does not relate to the question. Inappropriate words and phrases are chosen or none are selected.

Notes:

Only one point per numbered bullet in an answer can be credited.

	<b>Cambridge IGCSE – May/June 2015</b>	<b>0500</b>	<b>22</b>

Marking criteria for question 3(b)

**B QUALITY OF WRITING: CONCISION, FOCUS AND WRITING IN OWN WORDS**

Use the following table to give a mark out of 5.

<b>Band 1</b>	<b>5</b>	The response is well focused on the passage and the question. All points are expressed clearly, concisely and fluently, and in the candidate's own words (where appropriate) throughout.
<b>Band 2</b>	<b>4</b>	Most points are made clearly and concisely. Own words (where appropriate) are used consistently. The summary is mostly focused but may have a redundant introduction or conclusion.
<b>Band 3</b>	<b>3</b>	There are some areas of conciseness. There may be occasional loss of focus or clarity. Own words (where appropriate) are used for most of the summary. Responses may be list-like or not well sequenced.
<b>Band 4</b>	<b>2</b>	The summary is sometimes focused, but it may include comment, repetition, unnecessarily long explanation or lifted phrases.
<b>Band 5</b>	<b>1</b>	The summary is unfocused or wordy. It may be answered in the wrong form (e.g. narrative, commentary, or as notes). There may be frequent lifting of phrases and sentences.
<b>Band 6</b>	<b>0</b>	Excessive lifting; no focus. The response cannot be understood or consists entirely of the words of the passage.
